

Monday - May 06, 2019															
1:00-7:00	Event Registration - Boise Centre West Lobby														
5:00-7:00	Exhibit Area- Visit Exhibits: Refreshments - Boise Centre West Grand Ballroom														
Tuesday - May 07, 2019															
7:00-8:00	Hands-On Registration - Boise Centre West Lobby														
7:00-4:00	Event Registration - Boise Centre West Lobby														
7:00-7:45	Breakfast- Boise Centre East Ballroom level 4														
7:00-7:45	Exhibits Area Open- Visit Exhibits														
8:00-8:10	Opening Ceremony- Welcome: Tim Wold, Intermountain Gas Co. - Boise Centre East Ballroom level 4														
8:10-9:00	Keynote Speaker- Boise Centre East Ballroom level 4														
9:00-10:00	"What's New?" - Vendor Presentations, Part 1- Boise Centre East Ballroom level 4														
10:00-10:50	Exhibit Area Open - Visit Exhibits														
Workshops	Measurement	Measurement	Regulation	Regulation	Gas Quality/Odorization	BP/ GI	Hands On (15 student limit)							Roundtable	
Room	410A C. East	B. Boise Centre East	410B Boise Centre East	410C Boise Centre East	430A Boise Centre East	430B Boise Centre East	440 B.C. East	110A B.C. West	110B B.C. West	110C B.C. West	110D B.C. West	120A B.C. West	120B B.C. West	120C B.C. West	420 Boise Centre East
11:00-11:50	Measurement Standards Updates <b>Jeremiah Gage</b>	Fundamentals of Flow Computers <b>John Swartz</b>	Introduction to Overpressure Protection <b>Peter Cathcart</b>	Three Mode Control (PID) - Tuning <b>Ed Austin</b>	Principles of Odorization <b>Olivier Griperay</b>	Atmospheric Corrosion Mitigation for above grade piping <b>Kelly Crystal</b>		Dresser IMCW2 Electronic Volume Corrector <b>Madeline Corb</b>		Honeywell / Elster / American Meter Regulator Repair <b>Bob Bennett</b>	BPE Control Valve and positioners <b>Jim Green</b>	Combustible Gas Indicators <b>Drew Yando</b>	Sensus Turbine Meter Repair <b>Paul Honcher</b>	VRG Pilot Controllers and Control Valve Systems <b>Michael Garvey</b>	Protecting Your Company from an Over-Pressure Event – A Discussion on the Industry's Response to Recent Events <b>Dan MacDonald</b>
12:00-1:00	Lunch in the Boise Centre West Grand Ballroom/Exhibit Area with Prize give-a-ways and Visit Exhibits														
1:10-2:00	Introduction to Basic Gas Laws <b>Tim Clark</b>	Introduction to Ultrasonic Meters <b>John Lansing</b>	Introduction to Gas Regulation <b>Robbie Swigert</b>	Monitor Strategies and Implementation <b>Sam Hegje</b>	Introduction to Gas Quality <b>May Lew</b>	Temperature, Pressure and Pulsation Effects on Metering <b>Paul Tang</b>	Dresser Model 5 Proving <b>Cristina Lancelot</b>	Emerson Fisher Regulators <b>Ken Goodwin, John Anderson, Paul Anderson</b>		Becker Control Valve VRP Pilot <b>Russ Montano</b>	ABB Chromatograph <b>James Oliver</b>	Hi Lok Tube Fitting and Bending <b>Eric Thomson, Bruce Hedlund</b>	Sick 500 Ultrasonic Meter Setup <b>Craig Lam</b>	Over Pressure Protection and Slamshut Regulator Strategies <b>Matt Davidson</b>	
2:10-3:00				Noise Mitigation in Regulator Stations <b>Lamar May</b>	Measuring Hydrocarbon Dewpoint Accurately <b>Andy Benton</b>									Automatic and Remote Control Valves, Applications and Considerations for System Isolation. <b>Shane Dolar</b>	
3:00-3:20	Break- Exhibit Area Open- Visit Exhibits														
3:30-4:20	Fundamentals of Turbine Meters <b>Paul Honcher</b>	Ultrasonic Meter Diagnostics <b>Joel Nava</b>	Introduction to Overpressure Protection <b>Peter Cathcart</b>	Troubleshooting Control Valves <b>Jim Green</b>	Gas Chromatograph Maintenance <b>Jaime Marsden</b>	Hazardous Area Classifications <b>Larry Matora</b>	Dresser IMCW2 Electronic Volume Corrector <b>Madeline Corb</b>	Emerson Section VIII and Low Pressure Relief Valves <b>Walter Brox</b>	Honeywell / Elster / American Meter Regulator Repair <b>Bob Bennett</b>	Mooney Flowmax Operation and Maintenance <b>Sam Hegje</b>	Heath Odorator Odorant Tester <b>Drew Yando</b>	YZ Odorant Pumps <b>Steve Sillman</b>	Romet Rotary Meter Installation and Maintenance <b>Dean Lighfoot</b>	Gas Quality Management and Interchangeability <b>Josh Fife</b>	
4:30-6:00	Exhibit Area Open - Visit Exhibits - Happy Hour/Refreshments - Boise Centre West Grand Ballroom
