WGMS 2013 Roundtable will take place at the Peppermill Hotel & Convention Center in Reno, NV

**Description:** The Western Gas Measurement Short Course (WGMS) is held every two years in a Western U.S. or Canadian city. The event provides an array of educational classes conducted by industry experts to further the education of natural gas industry personnel in the specific areas of gas measurement and gas control. Additionally, leading industry manufacturers and service providers will be exhibiting the latest solutions and technologies in order to provide a valuable clearinghouse of information and ideas.

**Cost:** \$875.00 USD – EXHIBIT BOOTH SPACE

\$275.00 USD – PARTICIPANT REGISTRATION FEE FOR EACH PERSON ATTENDING BOOTH. NO EXCEPTIONS.

**Registration:** Online Registration for Attendees Will Open on **December 01, 2012**

See [www.wgmsc.com](http://www.wgmsc.com) for online registration and additional details
